"This is the answer to your inquiry regarding FMS32 Pro version 3.2.6. I have been using this software for the last 2 months and I have not found any problem. I don't see what you mean to disable and re-enable "real time capture". For me, this is not a problem. Actually, I don't understand what you mean with this caption if you mean "I removed/changed some settings to make sure it doesn't work anymore".
